

CURRENT WORK OF THE GOVERNING BODY

The Governing Body will be focusing on the following areas for the year 2017/8:

Early Years Foundation Stage

- Increasing the percentage of children achieving “Good Level of Development”
- Utilising refurbished outdoor area regularly to enhance lessons

Key Stage 1

- Developing basic writing skills and confidence in grammar
- Attainment in maths (development of new resources)

Key Stage 2

- Maintenance of strong writing attainment

Whole School

- Continuing consolidation of an effective Primary School
- Seamless integration into first phase of Epping Forest Multi-Academy Trust (MAT)
- Increasing co-ordination of planning, teaching and assessment between KS1 and KS2
- Effective sharing of good marking practice across school
- Embedding single SEND and behaviour policies following conversion of the school into a Primary
- Ensuring safe completion of school expansion alongside the Local Authority

Governors

- Effective monitoring
- Diligent evaluation and scrutiny of budget, moving into revised financial year of Epping Forest MAT

The following are our long-term, strategic development plans for the school:

- Embed a strong and unified Primary School
- Ensure that teaching and learning are at least “good” across the school enabling pupils to make good progress
- Develop the Governing Body to fulfil its obligations to a good standard, ensuring successful conversion to Academy
