

CURRENT WORK OF THE GOVERNING BODY

The Governing Body will be focusing on the following areas for the year 2015/6:

Early Years Foundation Stage

- Increasing the percentage of children achieving “Good Level of Development”

Key Stage 1

- Developing basic writing skills and confidence in grammar
- Attainment in maths (development of new resources)

Key Stage 2

- Attainment in Spelling, Punctuation and Grammar

Whole School

- Development of an effective Primary School following conversion
- Quality of and confidence in planning, teaching and assessment in relation to the new curriculum
- Improving pupil self-assessment
- Developing single SEND and behaviour policies following conversion of the school into a Primary
- Reviewing and developing PSHE resources
- Working alongside the Local Authority in relation to its plans for expansion of the school
- Effective management of school heating system

Governors

- Effective monitoring

The following are our long-term, strategic development plans for the school:

- Develop a strong and unified Primary School
- Ensure that teaching and learning are at least “good” across the school enabling pupils to make good progress
- Invest in staff development in relation to the new curriculum enabling staff to teach across the full range of the new Primary School
- Develop the Governing Body to fulfil its obligations to a good standard
