Equalities Policy

Statement/Principles

This policy outlines the commitment of the staff and Governors to promote equality. This involves tackling the barriers which could lead to unequal outcomes so that there is equality of access to all areas, and so that the diversity within the school community is celebrated and valued.

We believe that equality at our school should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth. At White Bridge Infant School, equality is a key principle for treating all people fairly irrespective of their gender, ethnicity, disability, religious beliefs/faith tradition, sexual orientation, age or any other of the protected characteristics (Single Equalities Act 2010).

This policy has been drawn up to take account of recent legislation, and builds on existing good practices, policies and consultations with the wider school community. It has been shared with Governors, staff, and the wider school community.

 - Attendance
 - Admissions
 - Incidents of prejudice related bullying and all forms of bullying
 - Parental involvement
 - Participation in extra-curricular and extended school activities
 - Staff recruitment and retention
 - Visits and visitors

Policy Commitments

Promoting Equality: Curriculum

We aim to provide all our pupils with the opportunity to succeed. To achieve this we will ensure:

- curriculum planning reflects a commitment to equality;
- The curriculum prepares pupils for life in a diverse society and uses opportunities to reflect the background and experience of pupils and families in the school;
- There will be opportunities in the curriculum to explore concepts and issues related to identity and equality;
- The promotion of attitudes and values that celebrate and respect diversity and challenge discriminatory behaviour and language wherever it occurs;
- The use of images and materials which positively reflect a range of cultures, identities and lifestyles.

Promoting Equality: Achievement

There is a consistently high expectation of all pupils regardless of age, gender, ethnicity, ability, social background and sexual orientation. To secure the best possible outcomes we recognise that:

- adults in the school will be expected to provide good, positive role models in their approach to all issues relating to equality of opportunity;
- it is important to identify the particular needs of individuals and groups within the school and to use targeted interventions to narrow gaps in achievement;
- a range of teaching methods is used throughout the school to ensure that effective learning takes place at all stages for all pupils;
- all pupils are actively encouraged to engage fully in their own learning.

Promoting Equality: The ethos and culture of the school

- At White Bridge Primary School, we are aware that those involved in the leadership of the school community are instrumental in demonstrating mutual respect between all members of the school community.
- We strive to achieve a feeling of openness and tolerance which welcomes everyone to the school.
- The children are encouraged to greet visitors to the school with friendliness and respect.
- The displays around the school reflect diversity across all aspects of equality and are frequently monitored.
- Reasonable adjustments will be made to ensure access for pupils, staff and visitors (including parents) with disabilities (this not only includes physical access, but takes account of wider access to school information and activities).
- Provision is made to cater for the cultural, moral and spiritual needs of all children through planning of assemblies, classroom based and off-site activities.
- Pupils' views are actively encouraged and respected. Pupils are given an effective voice for example through the School Council, pupil perception surveys and there

are regular opportunities to engage with pupils about their learning and the life of the school.

- Positive role models are used throughout the school to ensure that different groups of pupils feel welcomed and included.

Promoting Equality: Staff Recruitment and Professional Development

- All posts are advertised formally and open to the widest pool of applicants.
- All those involved in recruitment and selection are trained and aware of what they should do to avoid discrimination to ensure equality of opportunity.
- Steps are taken to encourage people from under-represented groups to apply for positions at all levels of the school.
- Access to opportunities for professional development is monitored on equality grounds.
- Equalities policy and practice is covered in all staff inductions.
- Employment policy and procedures are reviewed regularly by the local authority to check conformity with legislation. Their recommended policies are followed by the school and governing body. The impact of policies is kept under regular review.

Promoting Equality: Countering and Challenging Harassment and Bullying

- The school has a clear, agreed procedure for dealing with prejudice related bullying incidents and has a nominated member of staff responsible for recording and monitoring incidents (the Head teacher)
- The school reports to Governors, parents and the LA on an annual basis the number of prejudice related incidents recorded in school.
