

Colouring harder repeating patterns

A pattern activity

What you will need...

- Counters
- Coloured pencils

What to do...

- With your child make a repeating pattern with counters placed on the circles.
- Ask your child to copy the pattern by colouring the circles below the counters.

Make a pattern with the counters by covering these circles e.g. red, blue, blue, red, blue, blue, red, blue, blue

Now copy the pattern by colouring these circles.

Now make another repeating pattern e.g. yellow, green, blue, yellow, green, blue

And copy it.

And another e.g. yellow, yellow, green, green, yellow, yellow, green, green,

And copy it.
