## Suggested Reading list for Year 1 Children

This list is intended to be a guide to books suitable for children in Year 1. The List, covering a range of genres, is drawn from a number of sources including teachers own recommendations; The School Reading List; reading lists which have been suggested by other schools; Pie Corbett's Reading Spine and the National Literacy Trust's website. Some of the texts are more difficult to read than others and care should be taken when choosing those which your child might enjoy. Please share some of the books with your child (they might need help with unfamiliar words) and talk about what they've read. Also remember that it is important to read books to your child, as well as with them.
