

Tuesday 9th October 2018

Dear Parents,

Autumn Term newsletter 4

Harvest

I will be leading the children in a Harvest School Assembly on Thursday 18th October. As previously advised, this assembly is only for the children, and is not a performance for parents. We will bring years 1-6 together in the hall for this, whilst the reception children will have a short session in either their classes or the infant hall.

We have decided to help others this year by supporting the local Breast Cancer Charity at Epping Breast Unit – a charity that has supported a number of our families in recent times. We are therefore asking everyone to wear something pink and/or navy on 18th October (non-uniform) and to give a donation (£1 suggested) which we will send to the unit charity. I will be talking to the children about the many ways we can help others, and making a link to harvest through this, during the assembly. I hope that you will support this.

Non-Pupil days this term

Can I remind all parents that both Friday 19th and Monday 29th October are staff training days, and half term is the week beginning 22nd October.

Pupil Safety and Parking

Please can I remind all parents to park and drive safely around the school. A small number of parents continue to park thoughtlessly, either very near to the gates or blocking corners and driveways in the area around the school. Please take the time to park a little further away if necessary, and walk back: this will help to avoid potential accidents. The yellow markings on the road are there for a reason: please don't park on them!

Yours sincerely,

Mrs J Witteridge

Headteacher
