Dear Parents,

School Uniform Shoes from September 2019

In response to parental requests, we have tried this year to include some plain black trainers in our suitable footwear options. This has proved to be very unsuccessful, as it has resulted in children wearing all sorts of trainers in all sorts of colours instead of those that look more like school shoes.

I am therefore giving plenty of notice to all parents that this trial will NOT BE CONTINUING in September.

From September all children will need to be wearing proper black school shoes, NOT trainers of any description. Please note that it needs to be shoes, not boots, not even ankle boots.

As you start to think about uniform for September, please bear this in mind, or if you have to replace school shoes in the next half term it would be sensible to consider this to save having to buy another pair for September.

Yours sincerely
