

Friday 24th May 2019

Dear Parents,

Internet Safety Parents' meeting 19th June 2019 at 6.30pm

We take our responsibility to teach children how to be safe on line seriously, and this term we will be having workshops in school for the children delivered by 'the 2 Johns'. These highly regarded experts in the field will be giving children across the school up to date guidance on how to stay safe on line in today's world.

As well as leading staff, they will be taking a meeting for parents at 6.30-8.30pm. We would urge as many of you as possible to come to this, as you will be given lots of insight into the current issues, and advice on how to keep your child safe at home.

In order to enable you to come, we are offering a movie night for your child whilst you are in the meeting. Miss Hester will be supervising your children as they watch a movie (we've even had new projectors fitted in the halls), and they can even come in their pyjamas if they wish!

A further letter with reply slip will be sent out after half term, but we really hope that at least one parent/carer for each family will be able to attend.

Yours sincerely

Mrs J Witteridge
Headteacher
