

Pupil premium grant expenditure

Report to parents: 2014-2015

An explanation of Pupil Premium Grant:

Pupil Premium Grant (PPG) has been introduced to target extra money at pupils from deprived backgrounds - these are pupils that are known to under achieve compared to their non-deprived peers. The pupil premium for 2014-15 (£1300) was allocated to those currently eligible for free school meals and those who have been entitled at any point in the previous 6 years. The level of PPG is the same for every pupil no matter where they live. It is in addition to the school's budget. It is passed straight to schools. Therefore, schools have the freedom to employ strategies that they know will support their pupils to increase attainment. Children looked after will also receive an additional amount of £1900.

At White Bridge Junior School:

- We ensure that teaching and learning opportunities meet the needs of all of the pupils.
- We ensure that appropriate provision is made for pupils in vulnerable groups, this includes ensuring the needs of socially disadvantaged pupils are adequately assessed and addressed.
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged.
- We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the pupil premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged.

Number of pupils and pupil premium grant received:	
Total number of children on roll	240
Total number of children eligible for PPG	49
Amount of PPG received per pupil	£1320.00
Total amount of PPG received	£65599
