

White Bridge Primary School

School Uniform

Our School Governors have put in place a uniform policy. This means that we expect all pupils to wear the school uniform each day. Our school colours are bottle green and grey. The uniform is intended to be smart, practical and economical.

School uniform items:

White shirt or blouse; white polo shirt – plain or with school logo; bottle green jumper, cardigan or sweat shirt (with or without WBS logo, NOT GREY); grey flannel trousers; (grey shorts if preferred in summer); grey pinafore dress or skirt; green and white check summer dress; green, grey or black tights, or white or grey socks; appropriate shoes, preferably black (trainers are not permitted).

Physical Education kit:

Black plimsolls preferably Velcro or slip-on, bottle green or black shorts; White Bridge logo green round-necked T-shirt (being phased in from March 2017). Existing white T-shirt is still acceptable to wear for now.

School uniform with the logo is available from Forest Casualwear in Loughton High Road.

We have recycled uniform available in school.
