

Into space

A place value activity

What you will need...

- Numicon Shapes (1-10 and extra 10-shapes)
- Pencil

What to do...

- With your child choose numbers between 21 and 100 and write them on the stars and planets.
- Take turns to point to a number for the other player to make with the Numicon Shapes.
- Continue until all the numbers on the stars and planets have been made with Numicon Shapes.
