Dear Prospective Parents/Carers,

We are sorry that unfortunately now Essex have moved into Tier 2 Covid Level, we are unable to carry out face-to-face parent tours. Therefore, we have had to cancel any tours that have already been booked. We have taken a video of the Reception and Year One areas of the school and have posted this on our school website so that you can get a snapshot of White Bridge. However, please bear in mind, this is our school under Covid conditions and also doesn't truly reflect the unique aspects of what makes White Bridge such a special place to be.

I look forward to meeting you at some stage in the future.

Mrs A Grisley
Headteacher
