ParentMail Privacy Statement

We use ParentMail as a primary method for communicating lots of school information to Parents/Carers. This includes newsletters, dates, information about school trips and information about Parents' Evenings and many other things.

We also use ParentMail to let you know about extracurricular clubs and events, charitable fund raising on behalf of WBSA and sometimes other charitable collections or events.

If you choose to sign up for ParentMail (which we hope you will) you will receive all of the information that we send out via this system.

You may also very occasionally receive a text message relating to emergency situations, i.e. school closures etc.
