The Sports Premium is an amount of money allocated to schools to improve the quality and breadth of PE and sport provision. Schools are free to determine how best to use this funding to improve the quality and breadth of PE and sport provision, including increasing participation in PE and sport so that pupils develop healthy lifestyles and reach the performance levels they are capable of.

At White Bridge Primary School we will use the money to focus on

- ☐ Increased participation and enjoyment of PE for all pupils during lessons and through extra-curricular opportunities
- ☐ To give all of our pupils the opportunity to participate in outdoor fitness and adventure activity every day.
- ☐ To embed the idea of regular exercise as an essential part of a healthy lifestyle

In 2019-2020 White Bridge Primary School will receive a grant of £19,870.
