

White Bridge Primary School PE and Sports Premium Strategy Statement 2020-21

Summary information

Academic Year	2020/21	Total Sports Premium budget	£20,400	Total number of pupils	440
----------------------	---------	------------------------------------	---------	-------------------------------	-----

The Sports Premium is an amount of money allocated to schools to improve the quality and breadth of PE and sport provision. Schools are free to determine how best to use this funding to improve the quality and breadth of PE and sport provision, including increasing participation in PE and sport so that pupils develop healthy lifestyles and reach the performance levels they are capable of.

At White Bridge Primary School we will use the money to focus on

- ☐ Increased participation and enjoyment of PE for all pupils during lessons and through extra-curricular opportunities
- ☐ To give all of our pupils the opportunity to participate in outdoor fitness and adventure activity every day.
- ☐ To embed the idea of regular exercise as an essential part of a healthy lifestyle

In 2020-2021 White Bridge Primary School will receive a grant of £20,400. We also have a carry forward of £9803.08 from the previous year due to money not being spent as a result of Coronavirus. We will spend this funding on the following projects, supplemented by our delegated budget and other funds to ensure that we support all of our pupils to ensure they continue to develop healthy, active lifestyles and increase their participation and enjoyment in PE and sport.
