Ask your child to draw pictures showing what happened at the beginning, middle and the end of Room on the Broom or The Gruffalo. Or choose a different story.	Ask your child to use their phonic knowledge to spell some of the names of the characters from the 'The Gruffalo'? E.g. f-o-x, ow-l. If this is too tricky, can they say the sounds that make up the words instead?
Ask your child questions about the books that you have shared- Who are the main characters? How are the characters feeling? Who is your favourite character? Why? What did you like/dislike about this story?	Play Viking Full Circle - Click on the set of sounds your child is learning. Listen carefully to the word and have a go at choosing the correct letters to make the word.
Your child can continue to read a story from the free eBook library at Oxford Owl . Repeat as you would your class reading books.	Choose a letter of the alphabet. How many famous people or book characters can your child think of that start with this letter?

Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to learn more about famous or significant people. Learning may focus on past or present inventors, explorers or scientists and how they influence society today.

Make your Favourite Characters-

- Make a puppet of a famous story character. Use a toilet roll and draw, colour and stick other bits of material onto the tube to make your own character puppet. This can be a character from the Gruffalo or a character from another story written by a different famous author.
- Paint your hand and make handprints and decorate to make your very own Gruffalo.

Can you Name the Famous Characters?

- Take part in the quiz -Who Do You Know? You will need help from your grown ups. Have a go at [Quiz 1](#) and [Quiz 2](#). Or, you could also describe famous book characters to your child and they have to guess who it is you're describing.

Play Snake

- The Gruffalo features a snake. Click [here](#) to play snake - Use the arrows on the keyboard to move the snake around - count how many apples you can collect. Or, play a family game of Snakes and Ladders.

Create your own Broomstick

- Create your own broomstick like the witch in 'Room on the Broom'. You could gather up sticks from the garden and tie them on to the end of a large stick using elastic bands, string or garden twine. How could you make improvements to your broom? Encourage your child to act out the story.
