

Learning Project WEEK 9 Sports

Age Range: Year 1 Oak, Sycamore and Willow

Weekly Maths Tasks (Aim to do 1 per day)

This week we are playing maths games and problem solving:

- Why not play a board game if you have any at home, for example, Snakes and Ladders or Ludo? These games will help you with your counting and problem solving skills.
If you don't have your own board game, try this one online:
[Snakes and Ladders](https://www.primarygames.com/puzzles/board/snakesandladders/)
<https://www.primarygames.com/puzzles/board/snakesandladders/>
There are other games to choose from on this website too.
- Play this fun matching numbers game here:
<https://nrich.maths.org/11116>
- Play a throwing and catching game with someone in your house or on your own. Count how many catches you can make before you drop the ball. Write down your score each time. How many did you get? Who got the highest? Who got the lowest? Work out how many points you won by.
- Why not, instead of counting your score in ones, count your score in twos, fives or tens.
- Can you count in twos up to 30 without dropping the ball?
- Can you count in fives up to 100 without dropping the ball?
- Can you count in tens up to 100 without dropping the ball?
Write down your score each time.
What was your highest score?
What was your lowest score?
Put all your scores in order from your lowest to your highest.
- Have a go at the sports day Maths word problem challenges **BELOW**

Weekly Reading Tasks (Aim to do 1 per day)

- Watch and listen to '[The Little Princess: I Want to Win](https://safeyoutube.net/w/s6h6)' by Tony Ross.
<https://safeyoutube.net/w/s6h6>
How did the Little Princess feel every time she won a game?
Can you think of a time when you felt like the Little Princess? Talk about it with a member of your family.
- Watch and listen to The Tortoise and the Hare Fairy Tale
<https://www.youtube.com/watch?v=SUngzUfFr7Q&safe=active>
Think about the main characters:
What was the tortoise like in the story?
What was the hare like in the story?
How did the hare feel at the end of the race?
- The Tortoise and the Hare is a traditional story. What other traditional stories do you know? For example: Jack and the Beanstalk, The Three Little Pigs. If you have a traditional story book at home, why not read it to a member of your family.
- Read along with this traditional tale of The Three Little Pigs:
<https://www.youtube.com/watch?v=UN-73zQtNCO&safe=active>
- Practise reading your 100 words. Can you put some of them into a sentence?

Weekly Phonics/Spellings Tasks (Aim to do 1 per day)

- The word 'sport' contains the sound 'or' How many words can you think of containing the 'or' sound? Write a list of your words.
- Add the 'ing' suffix to these verbs: throw, catch, kick, smile, run, shout e.g. jump + ing = jumping.
- Then put each of your ing words in a sentence
- Play this phonics game by sounding out and blending the words in the sentences. Answer each question with a yes or no to help the penguins get home!
<https://www.phonicsbloom.com/uk/game/yes-no-yeti?phase=5>
- Continue to practise writing the letters of the alphabet in the correct order. Including the capital letters.
A B C D E F G H I J K L M N O P
Q R S T U V W X Y Z

Weekly Writing Tasks (Aim to do 1 per day)

- Have you got a favourite sportsperson? Maybe a football player or perhaps a tennis player? Do some research and write 6 facts about them.
- Write your own version of the The Tortoise and the Hare.
- Draw a map of the Hare and the Tortoise race. What route did they take? Draw and label any significant features on the map e.g. trees hills rivers bridges. Label the start and the finish of the race.
- Design a gold medal and present it to somebody in your house.
Why have you chosen this person?
Make a certificate to go with your medal to explain why? You could write:

'This is to certify that _____ has won a gold medal because _____.'
- Choose 10 of the 100 words to read and practise spelling them. Can you write those words in a sentence?

Learning Project - to be done throughout the week: Sports

- **Terrific Team Kits-** Have you got a favourite football team? Can you draw a picture of the football kit?
- What about designing your very own team kit. This can be for any sport. You should consider the flag of the country that you would represent and how to incorporate these colours into your design. Draw the design with a pencil or use a computer program to do this.
- **The 2021 Olympic games-** Look at a list of all of the sports that compete in the summer Olympics [here](#). Choose your favourite one and draw some pictures of it. Write five facts about your sport.
If you can have a go at playing your sport and imagine you are at the games!
What about making a video of your sport to put on class dojo?
- **Mini Sports Day-** If you can, have some fun races at home.
What about a hopping or jumping race, or a running race?
What about throwing and catching with a soft ball or a teddy or soft toy. Challenge yourself or others- how many catches can you do without dropping the ball/soft toy? Keep a note of your score. For a harder challenge, count how many catches can you do on your knees.
- **Design a gold medal** Why not make a medal for the winner of your sports day (or for

yourself?) You could use felt tips coloured pencils or paints to colour it in. You could use silver foil to make it shiny!

- **Joe Wicks PE**- Challenge yourself to doing Joe Wicks PE every day for a week! Use this link here <https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ>

#TheLearningProjects

Make a Superstar certificate like this to give to someone in your house.

Year 1 Sports Day Differentiated Maths Challenge Cards

twinkl

Year 1 Sports Day Maths

1. Dan, Ola and Nikita scored two points each for the red team. How many points does the red team have altogether?

Year 1 Sports Day Maths

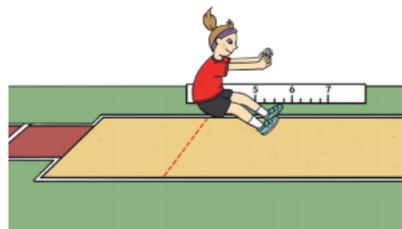

2. Eli had finished 7 activities so far and his friend, Seren, had done one more. How many activities had Seren finished?

Year 1 Sports Day Maths

3. Marcel jumped 8cm past the red cone in the long jump and Neville jumped 5cm past it. Who jumped the furthest?

Year 1 Sports Day Maths

4. The total score at half time, for the yellow team, was eighteen. They had 4 points taken off. How many points did they have now?

Year 1 Sports Day Maths

5. There have been 13 running races so far. Write the number as a word.

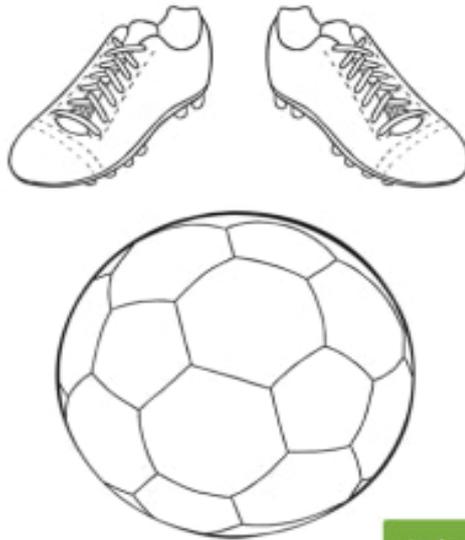

Why not design your own football kit? You could use felt tip pens, coloured pencils or collage. Below are some ideas to help you.
